

FHIR Patient Access API Endpoint Summary

Resource: Claims

The Claim resource is used to request the adjudication and/or authorization of a set of healthcare related goods and services for a patient against the patient's insurance coverages, or to request what the adjudication would be for a supplied set of goods or services should they be supplied to the patient.

Base Url Sandbox: <https://smilecdr-uat.libertydentalplan.com/fhir>

Endpoint: GET [https://<baseurl>/Claim? id={Ids}& count\]& lastUpdated](https://<baseurl>/Claim? id={Ids}& count]& lastUpdated)

Note: <Base URL>: It varies by the environment accessed. For Production it is <https://smilecdr.libertydentalplan.com/fhir>

- **Claims by Id**

The Patient Access API implements the FHIR Claims Resource. The Claims resource supports to Read current state of the resource using the Logical (Unique) ID.

Retrieve the Claims resource by id.

Endpoint: GET <https://<baseurl>/Claims/{id}>

Parameters:

Name	Required	Type	Description
_id	false	integer	System identifier of resource.
_lastUpdated	false	string	Last updated date of resource type
_count	false	integer	Size of results page
